

International Supply Co., Inc.

2717 West North Street
P.O. Box 17
Edelstein, IL 61526
(309) 249-6211
www.elhisco.com

International Supply Company's battery box is your green solution to battery storage. Our boxes are made of high quality polyester/glass laminates to produce a strong, external impact resistant, internal explosion proof, acid containment box.

Every box contains vent openings at each end to allow acid vapors to escape reducing the chance of an explosion. Boxes are easily anchored using the optional mounting brackets with 3/8" diameter mounting holes. We have boxes available for immediate delivery in standard sizes (4D and 8D batteries) and we have the ability to quickly produce custom sizes for all your NiCad and lead acid battery needs.

Additional options available:

- Heating Pads with Thermostat
- Regular and Stainless Steel Latches
- Battery Straps
- Mounting Brackets

Please contact our sales staff at 309-249-6211 or check out our web site at www.elhisco.com.
